

MALC Libraries, please use the following language when linking to a database subscribed to by SCLS or a member library. Please visit the Reference Databases Information page (<http://www.scls.info/reference/eresources/index.html>) for the URLs and other information.

## For databases available to **ALL SCLS Libraries**

This database is available for people living in the counties served by the South Central Library System (SCLS): Adams, Columbia, Dane, Green, Portage, Sauk, and Wood. A valid library card from a library in one of these counties is required. To obtain a library card, visit your local public library with photo identification and proof of current residence. Visit [www.scls.info](http://www.scls.info) for a directory of SCLS public libraries.
