Your test Subscription Options

Current values are checked.

Disable mail delivery

Turn this on if you want mail to not be delivered to you for a little while.

Off On

Option for temporarily stopping mail from this list.

Set Digest Mode

If you turn digest mode on, you'll get posts bundled together once a day, instead singly sent. If digest mode is changed from on to off, you will receive one last digest.

Off On

Option for getting email from list in a digest form (once a day)

Get MIME or Plain Text Digests?

If you have any problems with MIME digests, select plain text.

MIME Plain Text

Receive posts you send to the list?

Yes No

Option to receive any emails you send to the list.

Receive acknowledgement mail when you send mail to the list?

No Yes

Option to receive notification from the list when you send mail

Conceal yourself from subscriber list?

No Yes

Option to hide your email address when people view list of subscribers.
