

# YSS POWER HOUSE PRESENTS

BEYOND STORYTIME

ANN COOKSEY, KRISTI HELMKAMP (APPLETON PUBLIC LIBRARY)

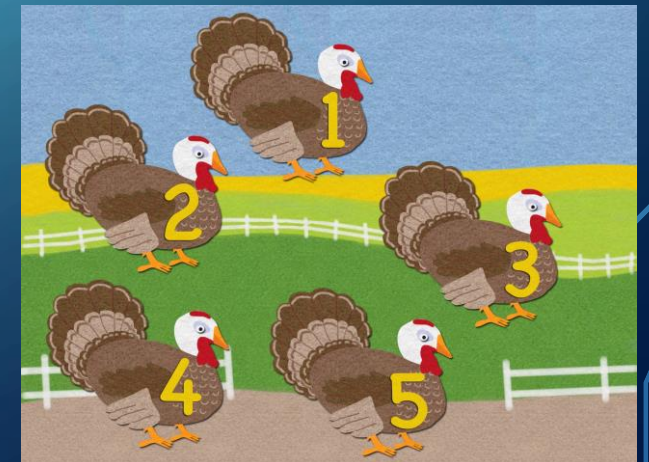

# NEW MEDIA IN OUTREACH

- Pros

- Lightweight, portable
- Versatile (music, stories, storytime stretchers)
- Element of excitement and surprise
- Modeling for caregivers/providers

- Cons

- Sound – Bluetooth
- Size – best for small groups

# PLAY BASED PROGRAMS

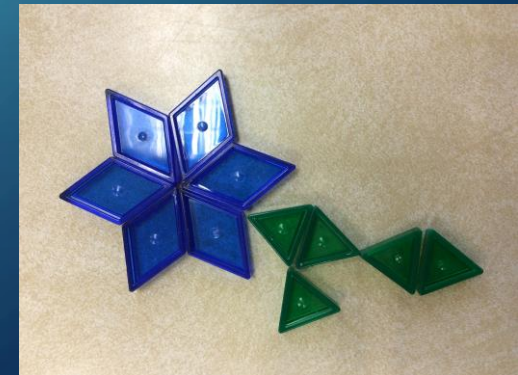

- Pros

- Parent/Child Interaction
- Child plays for a short time and moves on to another station
- Models apps and Media Diet for families

- Cons

- Sometimes the kiddos do everything you don't want them to and it's time to either redirect or find another tool.

# TWEEN SCENES

- Pros

- Encourages digital literacy skills
- Fosters social interaction and team building skills

- Cons

- Working on social skills
- Technical difficulties

# TWEEN SPACE

## • Pros

- Access to technology
- Encouraging social interaction and problem solving skills
- Modeling best practices and app selection for caregivers

## • Cons

- Access to settings and volume
- Experimenting with tethering equipment

# QUESTIONS
