

## Promote LearningExpress Library™ 3.0 Using Social Media

@LearningXpress

www.facebook.com/learningexpress

Social Media is a great way to promote LearningExpress Library to your patrons who already like your library's Facebook page or follow your library on Twitter. Use this guide as a starting point and expand.

### **Let your patrons know how to access LearningExpress Library™ 3.0**

Let your patrons know how to access LearningExpress Library by including a URL in your posts. Shorten the URL by using free services like [bitly.com](http://bitly.com) or [goo.gl/](http://goo.gl/). For example, the URL [www.learningexpressllc.com](http://www.learningexpressllc.com) is turned into <http://bit.ly/RZJi06> by using bit.ly. Link the following to your specific library:

- ▶ Login page for LearningExpress Library
- ▶ Individual learning centers within LearningExpress Library, such as Career Center or GED® Test Prep Center
- ▶ Your library's online resources FAQ Page

### **Focus your content**

Post content that is pertinent to your audience and focuses on their needs. Use relevant hashtags to join the conversation!

- ▶ Focus on a particular resource type for a week or day at a time
  - GED® test resources
  - Job searching resources
  - Resources for high school students
- ▶ Celebrate a national holiday with relevant resources
  - National Library Week—#NationalLibraryWeek (one week in April every year)
  - National Nurses Week—#NationalNursesWeek (one week in May every year)
  - Back to School—#BacktoSchool (September)
- ▶ Highlight test prep resources in advance of a national test
  - ACT® & SAT®
  - LSAT®
  - Praxis® & ParaPro

### **Keep posting content!**

Use the prepared posts below to build awareness among your patrons. **Customize them by adding a shortened URL.** Mention LearningExpress to get the conversation started. We've come up with a library of posts by learning center—feel free to expand on them!
