

Workflow for creating Local Hold/Use item records April 2024

Local Holds/Use parameters are applied to NEW materials based on the preference of the owning library. No library is required to apply Local Hold/Use parameters to their materials.

Parameters of Local Holds/Use for NEW materials purchased by a participating library:

Libraries **should not apply Local Hold/Use parameters to On Order** item records. Only apply the LHU parameters after the item is in hand and being processed. **New items should not be assigned the Local Hold parameters until the items have been received in hand by the library.** This means that item records with an On Order status should not have the BKALH14 Item Type, unless the new items have been received by the library.

Steps for creating items with Local Hold/Use parameters

NEW materials eligible for application of the Local Hold/Use parameters (as of Feb. 2024)

1. Regular print adult books, fiction and non-fiction
2. Children's picturebooks
3. Newly published Adult Large Print books.

Use the searching/matching and linking instructions in the Linking Manual, [Section V Books](#) to add an item to an existing Bibliographic record or follow the steps to create a BSE for the title (Part 6).

When you find the correct/matching BIB record, link your item to the record (Linking Manual, [Section XII Linking items](#)) using the parameters below.

LOCAL HOLD ITEM RECORD

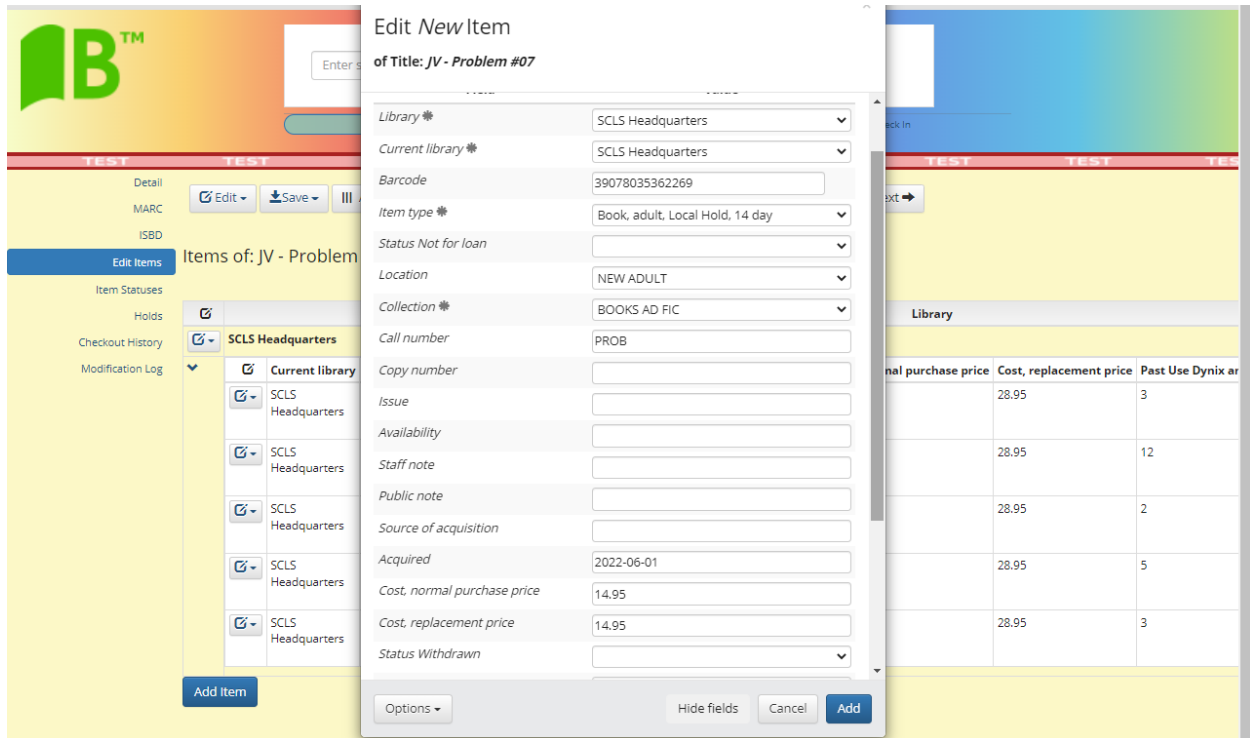

Item Type = BKALH14 or BKJLH14

Shelving Location = library preference

Collection code =

- BKAFL, BKANF or any other Book, Adult collection code
 - **NOTE – this does NOT include Large Print books**
- PBJFI, PBJNF or any other Picture Books collection code

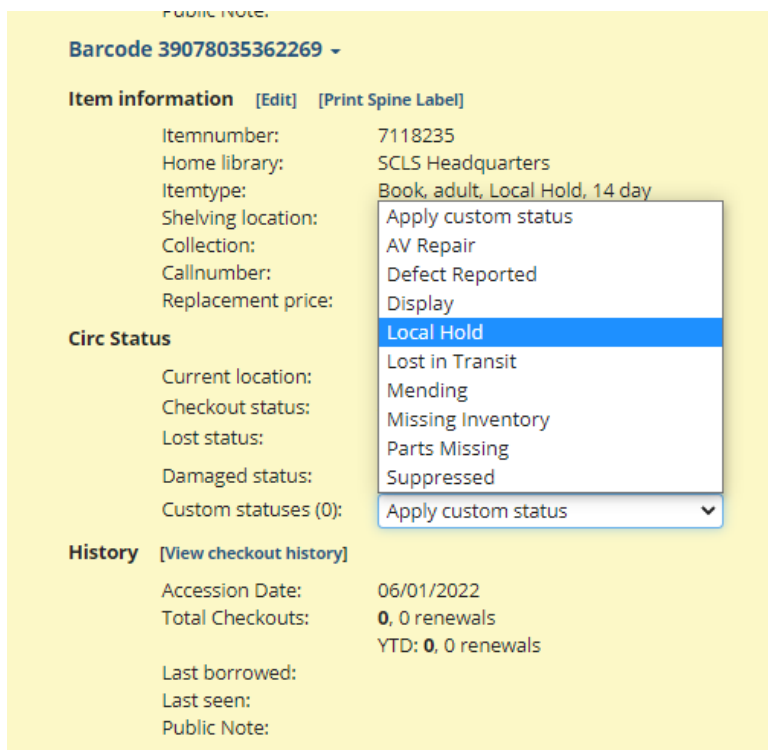

STAFF NOTE = "YYYY MM NEW" – **Optional**. Only needed if running the On Demand report.

Add the item.

Then click on the Item Statuses link in the left menu bar.

In this screen, change the Custom Status field for this item to “Local Hold”

PUBLIC NOTE.

OPTIONAL: Finish processing the item with any labels to indicate NEW item or Local Hold item.

The Custom Item Status “Local Hold” will not be removed by Check Out or Check In.

DUMMY ITEM RECORD

If the library has to create a BSE for their Local Hold item that is the first item in the system, the library should add a dummy item record with a regular item type in order to allow all patrons to place holds on the title. SCLS staff will remove dummy items that are no longer needed.

To add a dummy item to a record, follow these steps after creating the Local Hold item record.

1. On the **Edit Items** page, click the **button** next to the Local Hold item record as if to edit it.
2. Click on **Clone Item**.
3. An **Edit New Item** popup will come up.
4. Change these fields to make it a dummy item (other fields can be left alone or blank)
 - a. **Item Type:** Book, adult, 14 day
 - b. **Status Not for loan:** On Order Non-ACQ
 - c. **Staff Note:** LOCAL HOLD DUMMY ITEM

Steps for removing Local Hold/Use item parameters

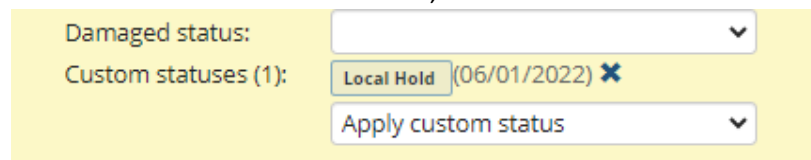

The On Demand report, “Local Holds/Use Items”, contains a new column labeled “Status Set”. This is the date that the Custom Item Status was set to “Local Hold”.

Time frame: Local Hold/Use parameters can be applied to materials for up to 60 days. Libraries will edit materials by changing the Item type to a “regular” Item type for the material and remove the “Local Hold” Custom Item status.

AFTER 60 DAYS, you will need to edit the item parameters to change the item to regular parameters.

Individual items

- Access the item record.
- Edit the item to change to a ‘normal’ Item Type like BKA14 or BKA28 for Adult materials or BKJ14 or BKJ28 for children’s picturebooks.
- If you added a Staff Note remove it
- Save the change.
- In the Item Statuses screen, click “X” at the end of the Local Hold status to remove it.

Damaged status:

Custom statuses (1): Local Hold (06/01/2022) X

Apply custom status

- Check in the item. It may be trapped to fill another hold at your library, a hold at another library or will remain at your library to be shelved.

Multiple items using Batch Item Edit

- Run the On Demand report Local Hold/Use items
 - Enter your library code – ‘LIB’
 - Enter the Staff note for the Month you are changing; e.g. ‘2022 JUNE NEW’ (or enter ‘%’ to see all items)
- OR pull the materials from the shelf and scan the item barcodes into the Batch Item Editor.
- Add the item numbers to the Batch Item Editor (Linking Manual, [Section XIV Editing, Moving and Deleting items](#), Part E Batch Edit of items)
 - Change the Item Type

- **Field:** Item type
 - **Action:** Set To
 - **Value:** Book, adult, 14 day loan (BKA14) or Book, adult, 28 day loan (BKA28) or appropriate juvenile item types for children's picture books.
- Remove the Custom Item Status
 - **Field:** Custom Item Status
 - **Action:** Remove Status
 - **Value:** Local Hold
- Remove the Staff Note (if used)
 - **Field:** Staff note
 - **Action:** Set NULL
 - **Value:** n/a
- Check in the items. Items may be trapped to fill another hold at your library, a hold at another library or will remain at your library to be shelved.
