1. How are you and your staff doing?

She started as the director during the pandemic. This is her first in person Summer Library Program year, very exciting.

They used virtual programming techniques but now patrons want to be in person and “live”.

She has 3 part time staff members who each worked about 3 hours per week. They are working well together. She was able to attend PLA using SCLS CE money – which is an example of how smoothly the staffing is running.

She has a great board.

2. What are the next projects (big or small) on your library’s to-do list?  
RFID tagging, it is nice and easy to do. They already did collection weeding in preparation of RFID tagging program.  
Remodeling project: fundraising, formed Friends Group and now working with Deb Haeffner on new carpet, painting, LED lighting. (Focus on Energy rebate)
3. Are there service changes or new services from the last two years that you plan on continuing?  
Some home delivery; new board game collection (ALA programming grant funded collection)  
Went fine free June 1, 2022
4. How can SCLS help?  
“I feel like I can send an email to a person in SCLS and they magically answer and solve the problem.”

None
