Requires following standard and safe lifting practices whenever possible (Including, but not limited to: keeping the load close, having a stable grip and stance, lifting with bent knees, not bending at the waist, using lift-aids like carts and hand-trucks, and cooperative lifting for very heavy loads)
 - b. Pack up materials as required at assigned times and loading delivery trucks as assigned.
 - i. Requires pushing/pulling loaded carts weighing up to 400 pounds onto or into delivery trucks.
 - ii. Requires lifting full baskets of materials which can weigh 50 pounds regularly and 65 pounds occasionally.
 - iii. Requires frequent bending, stooping, reaching, pushing, and pulling.
 - iv. Requires following standard and safe lifting practices whenever possible (Including, but not limited to: keeping the load close, having a stable grip and stance, lifting with bent

- knees, not bending at the waist, using lift-aids like carts to move heavy loads, and asking for help with heavy loads)
- v. Requires lifting and lowering the retractable lift gate at the rear of trucks.
 - 1. Requires proper lifting technique and body position – or- working with co-workers to lift and lower the gate together.

III. Route Driving:

- a. Safely and professionally operate SCLS vehicles.
 - i. Requires being alert and responsive to changing driving environments.
 - ii. Requires prioritizing safety and adhering to all driving laws.
 - iii. Requires being in a seated position for up to 6 hours a shift.
 - iv. Requires being able to enter and exit a high-profile vehicle (cargo vans and box trucks)
- b. Perform assigned delivery routes according to directions.
 - i. Requires adhering to designated written directions.
 - ii. Requires comprehension of maps, written and verbal directions.
 - iii. Requires properly adapting to unexpected detours or changes in traffic flow.
- c. Perform routine inspections and refueling of SCLS vehicles.
 - i. Requires being able to follow basic vehicle maintenance tasks including, but not limited to: pumping gas, adding windshield fluid, checking oil level, checking tire pressure, jump-starting a battery, changing a windshield wiper, and visually checking a vehicle prior to driving.
- d. Maintain cleanliness of SCLS vehicles.
 - i. Requires removing trash, replacing used supplies, and cleaning the windshield and headlights.
 - ii. Requires the performance of washing vehicles as assigned.
 - 1. Requires the use of pressurized water, reaching, bending, and stooping to fully clean the exterior of a vehicle.

IV. Perform Library Exchanges:

- a. Accurately and safely deliver materials to their proper destinations
 - i. Requires safely parking and maneuvering vehicles in parking lots or parking in the street
 - ii. Requires awareness of other vehicles, pedestrians, and conditions.
 - iii. Requires moving materials over uneven surfaces, and inclines in inclement weather
 - iv. Requires protecting materials from direct and sustained rain or snow.
 - v. Requires safe moving of materials in and around doorways, elevators, furniture, walls, and other obstacles.
- b. Accurately retrieve materials to be picked up from libraries and returned to SCLS.

- i. Requires moving materials over uneven surfaces, and inclines in inclement weather
 - ii. Requires protecting materials from direct and sustained rain or snow.
 - iii. Requires safe use of loading the lift gate including: observing weight limits, keeping proper space for movement, and engaging the cart-stop for every load going up or down.
 - c. Properly access and secure library buildings and spaces.
 - i. Requires entering access codes into library security panels
 - ii. Requires managing and handling library keys and access cards
 - iii. Requires following written and visual directions on disarming, and re-arming access devices.
 - iv. Requires prompt reporting of problems, mistakes, or unusual activity at a library.
- V. Reporting:
 - a. Communicate route and customer needs, questions and concerns to Delivery Management staff.
 - i. Requires prompt reporting of accidents, damage, injuries, and revocation status of driver's license.
 - b. Report vehicle problems and needs to Delivery Fleet Manager.
 - i. Requires reporting changes according to alert signals, noises, visual evidence, damage, or disabled mechanisms to the Fleet Manager.
 - c. Accurately count, record and track route exchange activity as required.
 - i. Requires full entry of all requested data on documents including time entries, volume counts, mileage entries, names, and notes. Complete accuracy is the expectation.
- VI. Other Duties:
 - a. Complete other duties as assigned.
