Community Information

2017 Economic and Workforce Profile: Green County (9 pages)

<https://tinyurl.com/y9td5rvp>

Begins with a statewide workforce profile, then details Green County. Major municipalities and industries in the county are listed. Projected growth areas are featured in the guide. The publication was created by the Southwest Workforce Development Area - Department of Workforce Development.

Green County Summary - WORKnet (1 page)

<https://tinyurl.com/y7w9u88d>

A one-page snapshot of the economic status of industries in Green County. The snapshot includes: major industries, wages, unemployment data, and population statistics in an easily digestible format.

ALICE in Green County - 2014 Point-in-time-Data (1 page)

<https://tinyurl.com/ybvzwncc>

ALICE, an acronym for Asset Limited, Income Constrained, Employed, are households that earn more than the Federal Poverty Level, but less than the basic cost of living for the county (the ALICE Threshold). Combined, the number of poverty and ALICE households equals the total population struggling to afford basic needs.
