Farmers Transitioning to Non-Farm Work Resources

Farmers Resource Guide

<https://green.extension.wisc.edu/files/2018/12/Farmers-Resource-Guide.pdf>

A resource from the UW-Extension of Green and Lafayette Counties. The resource covers finances, legal information, covering basic needs, and job counseling.

Farmer's Job Hunting Workbook

<https://tinyurl.com/yaedd8at>

A resource from The Wisconsin Farm Center for farmers transitioning to non-farm work. The workbook covers topics of coping with farm stress, inventory of skills, and preparing employment paperwork.

Farmers in Transition: Finding a New Career

<https://tinyurl.com/yamq5xmc>

A guide from the Oklahoma Cooperative Extension Service. The guide is for farmers looking to transition to non-farm occupations.

Vocational Career Resources

<https://tinyurl.com/y7z3wnyd>

The webpage from the Department of Agriculture, Trade, and Consumer Protection describes vocational options of career exploration, training, on-the-job training, and self-employment. It also lists vocational and employment websites with links.
