

CCBC Materials Challenge Readiness Workshop

Support and Action Plan Worksheet

Support

Professional Network: Who are one or two colleagues within and beyond your community you can contact *right now* to ask if you can reach out for support in *case* of a challenge—people to whom you can also offer reciprocal support if it should happen to them (e.g., school librarian)?

- 1.
- 2.
- 3.

Personal Support: Who are people you know you can talk to about what’s happening in case of a challenge or concern —colleagues, or people in your personal life, whom you trust to allow you to safely process your feelings with understanding and without judgment, knowing they will keep what you say confidential?

- 1.
- 2.
- 3.

Library Support: Who are a few key people and/or groups in *your community* whom you can call in to speak out in support of the library?

- 1.
- 2.
- 3.
- 4.

Action Plan

Library Support: Look at the people /groups) you identified under Library Support on previous page. List 1 or 2 concrete things you can do to help prepare them to be ready to step up if there is a concern or challenge.

1.

2.

List 1 or 2 proactive things you can ask them to do in *advance* of a challenge:

1.

2.

Action Plan: List 2-4 things below that you will do when you go back to your library to solidify support and or be better prepared for responding to concerns and challenges.

1.

2.

3.

4.
