

July 2018

STO Proposal for new adult patron type between limited use and regular adult patron type.

Purpose

The library would like to offer a less-restrictive middle ground for patrons that we feel are ready for more privileges than Limited Use allows, but about whom we are still concerned and not quite ready to grant full borrowing. For example, someone who has recently requested a payment plan for a large amount, had a percentage waived and is paying as agreed.

Does not require checkout at desk, thus more autonomy for patron. (Preferable over overriding limited use)

Temporary use for patron account in transition with set end date.

Parameters

Loan limits: 15 items (or agreed amount, no more than 20.)

Hold limit: 5

Fine max: \$10 or usual \$20

Use

Teens over 16 and adults.

Useful for the following situations:

- payment plans
- after very old charges
- after fresh start** (for charges incurred on juvenile accounts)
- disabled patrons at guardian request

** Fresh Start is a local library procedure where we waive charges up to \$100 for patrons under 18. (Does not include lost charges)
