

Board Meeting 12/17/2021 Financial Review
Budget vs. Actual Income and Expense Report
Prepared by Kerrie Goeden, HR & Finance Coordinator

Income

These financial statements include year-to-date information through 11/30/2021. The mid-year budget has been updated effective 7/1/2021. Expenditures should be at or under 91.7% (11/12) of budget YTD. Exceptions to that are explained below.

4010 State Aid Income

We received 75% of our 2021 state aid from the DPI in November 2020. The remaining 25% was received in April 2021. Therefore this account is at 100% of budget.

4120/4130/4170/4180 Delivery Services

Delivery services fees for 2021 for our members (4120) were invoiced in January and therefore are reporting at 100% of budget. The other delivery fees will be invoiced in various months, to include Other Member Delivery-Library (Link Express services) and Multi/Intersystem Delivery (Statewide, UW, Multi-type libraries), invoiced in February, and again in the fall. The 2nd half of the year's delivery fees for the other systems (account 4170) will be paid with LSTA grant funds. Special Request Delivery income is recorded as it occurs on a monthly basis.

4220 WLA Rent

WLA is invoiced for their annual rent in January; therefore 100% of the funds in this account are reported this month.

4242 Tech and/or ILS Member Payments

Technology and ILS fees to members were invoiced to all participants in January; therefore 100% of this revenue is reported this month.

4020/4060 Portfolio Realized Gains/Change in Market Appreciation

Realized gains/losses and changes in market appreciation are not budgeted, as they are not within our control. YTD the portfolio has had realized losses of \$114.11 and a loss of market value of \$46,094.65.

4290 SCLS Foundation Admin Fees

These are the fees SCLS receives from the Foundation to manage the receipts and record keeping, etc. for the fund. These fees are based on a % of portfolio balance. These fees are invoiced and recorded on a quarterly basis, at the end of each quarter.

Expenses

5130 Madison Public Library

The Resource and Supplementary Services contracts with MPL have been paid in full for the year.

5530 ILS Contracted Support

We paid the annual 2021 maintenance contracted support fee in May, therefore this account is fully expended.

5540 ILS Third Party Maintenance and Start Up

In June we paid for Syndetics Unbound through 5/31/22. We also purchased a new mobile app through Solus out of the UK, which put this account over budget. Any overage will be paid for out of the ILS Carryover account.

5575 Tech Broadband Lines and Services

In June we paid for the TEACH lines for the first half of the year. We also paid for the annual WiscNet and MUFN fiber fees, WiscNet annual fees for network access and membership fees. Therefore this account is at 115.4% of budget.

5591 3rd Party Annual Support and Maintenance

The MyPC and Papercut annual fees were paid in June, fully expending this account.

6050 Mileage Expenses – SCLS Staff

We reduced this budget at the time when libraries were mostly virtual and staff were not visiting them in person. Travel has increased and in-person meetings and conferences have started up again. Therefore our mileage has also increased beyond projections.

7210 Fleet Expenses

Fleet expenses comprise regular expenses of fuel and repairs for our delivery vehicles. This account will be offset by the \$75,000 Delivery LSTA grant later in the year, bringing it back within budget.

7270 Delivery Supplies and Equipment

In addition to regular ordering of supplies, Delivery replaced a computer in March and purchased 50 wheels and brakes and 5 casters for the carts. In April Delivery purchased 20 new aluminum carts which cost \$5,680.00 and in May and June, purchased casters for the carts which cost \$784.38 and \$829.01 respectively. Therefore this account is at 133.7% of budget. Any amount over budget at year-end will be taken from the General/Delivery Carryover Account.

7280 Fleet Replacement

Delivery purchased a new van in November. Vehicle replacement is not budgeted. All fleet replacement costs will be taken from the General/Delivery Carryover Account.

7475 Experimental Services for Libraries

In addition to regular monthly charges for mobile hotspots, in June, 7 Latitude 3520 laptops were purchased for the mobile laptop lab. This is an annual replacement. Therefore this account is at 109.3%.

7650 Facility Headquarters

Rent is paid a month in advance therefore we have paid through December 2021. We were, however, billed for the CAM (common area maintenance) and year-end taxes reconciliation in April for both 2019 and 2020, since they did not send the 2019 bill last year. This additional set of charges totals \$27,335. Therefore this account is now at 108.8% of budget.

7655 Supplies

This account was reduced at the time when most staff were working remotely. Now that staff are in the building regularly again, the use of our building supplies has increased beyond projections.

7700 Employee Insurances

All insurances are paid a month in advance, therefore YTD we have paid January through December insurances and are at 104.3% of budget. Insurance rates were adjusted on the mid-year budget in July.

7730 Workers Comp, General Insurance

This account is at 115.4% of budget, as we have paid the insurance premiums for the entire year of 2021 for cyber, executive liability, property, general liability, worker's comp, business services bond and crime insurance.

7740 Audit

The audit is complete and we have been invoiced for the entire sum.

7752 Computer Hardware & Supplies

This account is for the annual replacement of staff PCs and peripherals, Adobe, Slack and Zoom subscriptions. We have also renewed our Carbonite subscription and Jody H's Tableau subscription. YTD we have expended 114.8 % of this account.

8011 Bank Service Charges

These fees are the monthly maintenance fees on our business checking account. Higher fees = more transactions.

9170 Members Digital Buying Pool

The income represented on the financial statements (\$321,873.97) includes member fees for the digital media buying pool and the Advantage Program, as well as the SCIDS portion of MPL contract for the Advantage Program through Overdrive for eBooks and digital content, a Madison Public Library Foundation and extra MPL donation to the Advantage Program through Overdrive for eBooks and digital content.

9153/9196/9206/9211 CARES and LSTA Grant Accounts

The 2nd Tech Sparsity LSTA grant, the Infrastructure Backup Digitization LSTA grant and the ILS Migration LSTA grant were completed in September. Fiscal reports were submitted for reimbursement in October and November. The Professional Learning Funds LSTA grant has just begun and will provide \$32,276 in grant funds for CE opportunities. The reimbursement for the ILS Migration LSTA grant is reflected in November.

Portfolio Update:

Fixed Income Portfolio balance as of 10/31/2021: \$1,801,593.09

Fixed Income Portfolio balance as of 9/30/2021: \$1,811,941.76

The total portfolio value decreased last month by \$10,348.67

Starting portfolio balance 10/11/2012 = \$1,597,442.00. Therefore our portfolio balance has increased overall by \$204,151.09 since inception.
