REVIEW TECH AND ILS 2023 DRAFT BUDGETS

DATA CUTOVER JUNE 28-JULY 1: HOW CAN WE HELP?

JUNE 28

- BadgerNet goes down late in the date (after 3 pm)

- Madison Public Library and Monona Public Library will not be down (MUFN)

- No internet at any other SCLS network services library

- Greater chance of restoring network services early

- Will not do if can't happen late in the day

JUNE 29-JULY 1

- No INTERNET in any SCLS network library (including Wi-Fi)

- Talking Tech goes down

- Self-checks will not work

- Bibliovation is available with internet service (including for patrons)

- Most databases are available with internet service (including for patrons)

JUNE 29

- MUFN & WiscNet go down

- Dell moves network equipment

- Begin reconnecting networks

JUNE 30-JULY 1

- Reconnection of network services continues
- Restoration of Talking Tech

CHECKOUT ON BIBLIOVATION

- All LINKcat libraries can use Offline Circulation to check out without Internet

- Test ahead of time—Heidi Oliversen will help

FULL ACCESS TO BIBLIOVATION (WITH INTERNET)

- Includes Checkin
- Available to:
  - Libraries not on SCLS network
  - Libraries with alternate network (wireless)
  - Mobile hotspot
- Cannot put SCLS supported PCs on non-SCLS network

ALTERNATIVE SOLUTIONS

- Mobile hotspot + laptop + barcode scanner
  - Access to Internet
  - Full access to Bibliovation—can checkin and checkout
  - Can't print receipts (unless have a USB printer)
  - Email
  - Status wiki for updates

ALTERNATIVE SOLUTIONS

- Mobile hotspot + desktop
  - More complicated, but it is possible—library will need to be able to set up and support with some assistance from SCLS

SCLS CAN…

- Lend some laptops and barcode scanners

- Lend RFID tagging stations which will allow checkin and checkout of RFID tagged materials

- Help with procuring hotspots

- Will create a form to identify need
