

On a separate piece of paper, brainstorm some ideas about what information, content, links and "stuff" you want on your site. Then, add it to the columns below, or use the columns to help you think of new stuff. Stuff in bold is just a sample of what's there now.

Stuff Librarians Buy	Stuff Librarians Create	Things to Attend or Visit	Interacting with Patrons	About the Library
<p>Link to LINKcat</p>			<p>"Ask us a question" link</p>	<p>Address, hours, contact info</p>
